

## Checklist of Questions for This Principle

| JUSTICE                | CHECKLIST OF QUESTIONS  | YES/NO |
|------------------------|---|--------|
| Research Design        | <p>Does your research involve input from research partners and participants from various groups? Do you know who they are and what their needs are?</p> <p>Has adequate information, training or education been provided prior to the research?</p> |        |
| Planning               | <p>Have you planned what information about the research will be provided to the participants?</p> <p>Does your recruitment plan ensure inclusion and representation of people from vulnerable or marginalised backgrounds?</p>                      |        |
| Implementation         | <p>Is there a strategy in place to manage the power dynamic between researcher(s) and research participants?</p>  |        |
| Analysis and Reporting | <p>Will the research findings be made available in a format that is meaningful and useful for participants?</p>   |        |
| Dissemination and Use  | <p>How will you ensure that information is appropriately fed back to those who participated in the research, at an individual and community level?</p>  |        |

If you have answered **NO** to any of the questions above, please reread and review the Principles and Guidelines for Ethical Research and Evaluation in Development at <https://rdinetwork.org.au/effective-ethical-research-evaluation/principles-guidelines-ethical-research-evaluation/>
