

# TOOL C: Plain English Language Consent Form

## CONSENT FORM IN PLAIN ENGLISH LANGUAGE

My name is:

I have been given enough information about this project.

I have been told about how the information I give will be used.

I agree to talk to the researcher or do activities with them for their research

I understand that I can leave at any time

I understand I do not have to answer any questions if I don't want to.

I am happy for the researcher to record what I say.

I give permission for my words to be used in a report but that my name will not be mentioned.

This is my signature:

Date:

Place:
